

MUSICAL OFFERING

NEW ACCORDION CD FROM COURTHOUSE MUSIC

On the 21:st CD on Courthouse Music label , we have gathered some of the repertoire performed by Lena Rist-Larsen and Jörgen Sundeqvist for the last five years or so: accordion duets and works for accordion and violin. These are pieces composed directly for, or specially arranged for this elevating duo. This recording shows the depth in their wide musicality, delivered with precision and warmth. Totally fresh pieces are generously blended with immortal classics and for and hour plus, Jörgen and Lena takes us to their musical world of sparkling virtuosity and eager passion.
